# Systeme de gestion des reservations des ressources informatiques

```
graph TD; A[Systeme de gestion des reservations des ressources informatiques] --> B[Gestion ressource]; A --> C[Gestion reservation]; A --> D[Gestion prêt]; A --> E[Gestion retour]; C --> F[Générer rapport mensuel];
```

The diagram is an organizational chart for an IT resource reservation system. At the top is a large white box with a black border containing the text 'Systeme de gestion des reservations des ressources informatiques'. A horizontal line extends from the bottom of this box, with four vertical lines branching down to four smaller white boxes with black borders. These boxes are labeled 'Gestion ressource', 'Gestion reservation', 'Gestion prêt', and 'Gestion retour' from left to right. From the bottom of the 'Gestion reservation' box, a vertical line extends down to a fifth white box with a black border labeled 'Générer rapport mensuel'.

Gestion ressource

Gestion reservation

Gestion prêt

Gestion retour

Générer rapport mensuel
